

City of La Puente
22nd Annual Main Street Halloween Run
Sunday, October 27, 2013

Bus Registration Deadline: Friday, October 18, 2013
Race Registration Deadline: Tuesday, October 22, 2013

Run Info:

The run will start at 8:00am. The race start is on Main Street at Second Street. The course will be a hilly double loop. After the first loop 10K runners will turn left on Stimson Ave and continue around the course a second time. Make sure your runners know that they are completing the 10K course and to watch out for the 10K turn off, which will be just before the finish line. **SRLA runners are registered for the 10K only and therefore will not be counted in race results or for awards for the 5K.**

Finish Line:

All runners will receive a finisher medal, t-shirt, water, and snack. T-shirts will be available for runners at the SRLA registration table. Please ask your runners to pay attention at the t-shirt area, as there will be multiple lines available for these distributions. We ask for all runners to be patient as the t-shirt line will be very long especially as the bulk of SRLA runners are finishing at the same time.

Run Results:

The results will be posted online at <http://www.racewire.com>, and will also be available on the SRLA website for leaders. Awards to the top male/female in each age group for the 10K will be given. The awards may be presented after SRLA buses depart.
